About this Fourth Generation Documentation Addendum:

This Fourth Generation Documentation Addendum is provided to bring the associated 'base' document up to date with the very latest changes and additions to the software product. The 'base' document is listed on the title page of this addendum.

Addendum Date:

 All software patches and supplements that have an impact on the base document are also covered by this addendum. Software patches and supplements are posted on the Fourth Generation web site in the customer area and on the Fourth Generation ftp site (see web/ftp access below). Patches and feature supplements are listed by the date posted. All patches and supplements posted by the Addendum Date are covered by this addendum. Each time a new patch or supplemental feature is released, this addendum will be updated if a documentation change is required. At that time, the Addendum date will be updated to the latest patch or supplement date.

Information not covered by this addendum:

This addendum covers only the subject area of the base document. For additional information and technical details on the new features or patches, please consult the product release notes and patch/supplements indexes found in the customer area of the Fourth Generation Web site or FTP site. (see web/ftp access below)

Web/FTP Access:

All new features and patches are maintained on the Fourth Generation web site, in the customer area: www.fourthgeneration.com and also on the Fourth Generation FTP site: ftp.fourthgeneration.com. Updated versions of this Addendum will be posted there as well. Most of the files and information in these areas is restricted to customers with current software maintenance contracts. To receive a current password to access these areas, please contact the Fourth Generation help desk: 770-432-7623, 1-800-374-6157, support@fourthgeneration.com
